

LUMENTURE®

GTEK

2-CIRCUIT, 2-NEUTRAL 120V SERIES TRACK

TYPE: \_\_\_\_\_

PROJECT: \_\_\_\_\_

SPECIFICATIONS/FEATURES

Track

GTEK gives the ability to dim on two independent circuits without harmonics or interference on the neutral conductor.

Oversized conductors for operating safety and reduced overload potential.

Secure Bus Bar Insulation secured both conductors and insulation for the life of the product. Polarity ridge takes the guesswork out of connector and track alignment during installation.

Made of architectural grade extruded aluminum. Track can be field cut to desired length.

Compatibility

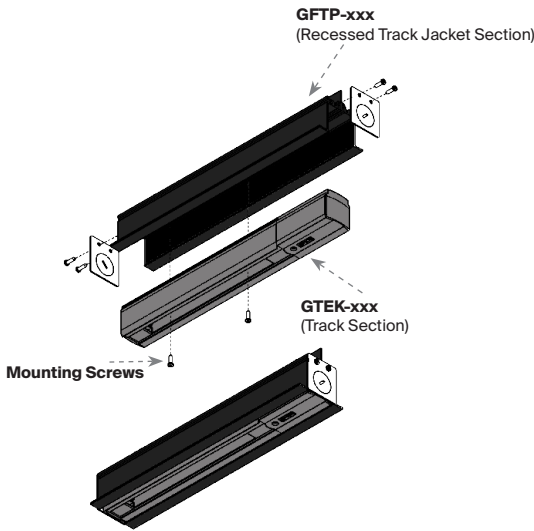

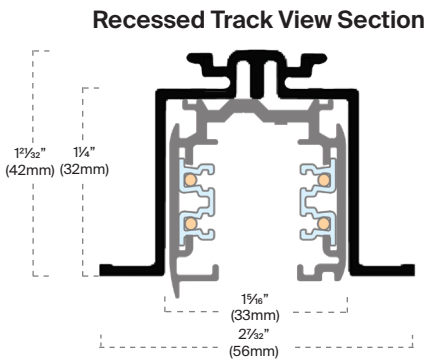

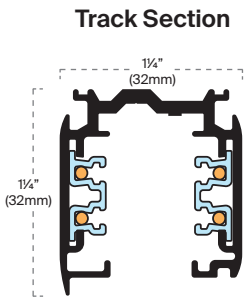

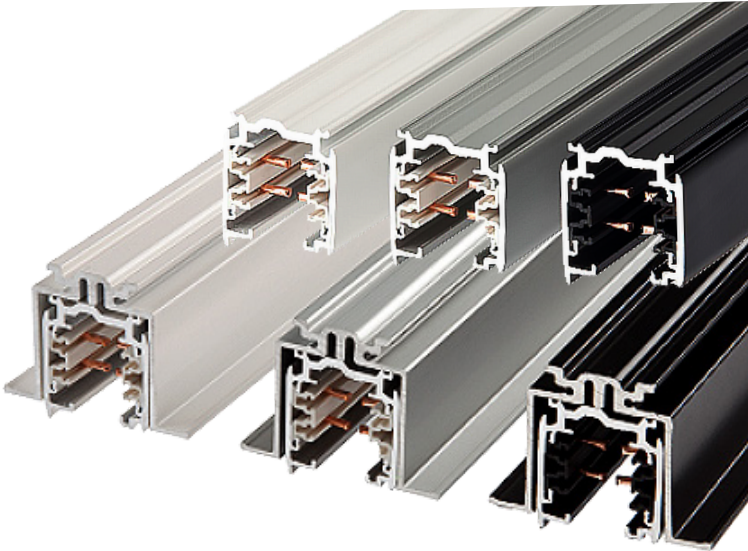

All Lumenture track fixtures must have a G-Series GTEK100 adapter installed to work with GTEK track.

Warranty

Please contact Lumenture to inquire about Nordic's warranty on this product.

# GTEK 2-CIRCUIT, 2-NEUTRAL 120V SERIES TRACK

## TRACK INSTALLATION ACCESSORIES

### Live End Feeds

GTEK11 - (B, W, G) 120V

Live End Feed.

GTEK12 - (B, W, G) 120V

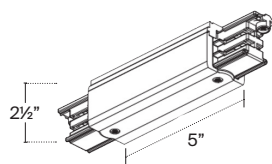

Live End Feed, Reverse Polarity.

### Track Length & Field Cutting Tool

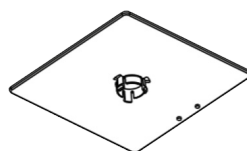

GXTSV12

All-in-one hand tool, bends conductors to manufacturer specifications. Includes gauge to verify correct length.

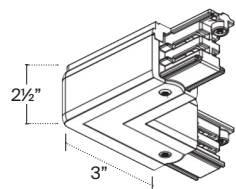

### Live Middle Feed

GTEK14 - (B, W, G) 120V

### Outlet Box Cover

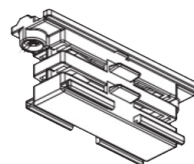

GES15 - (B, W, G)

### Feedable L-Connector

GTEK34 - (B, W, G) 120V

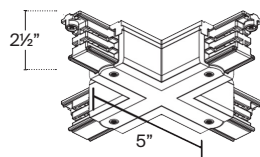

Adjustable Polarity.

### Linear Coupler

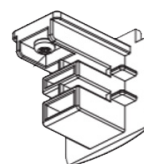

GTEK21 - (B, W, G) 120V

Does not add length to track run.

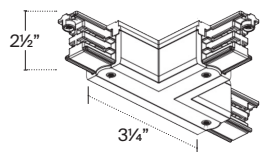

### Feedable X-Connector

GTEK38 - (B, W, G) 120V

### Dead Ends

GTEK41 - (B, W, G) 120V

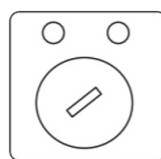

### Feedable T-Connectors

GTEK39 - (B, W, G) 120V

Adjustable Right Polarity.

GTEK40 - (B, W, G) 120V

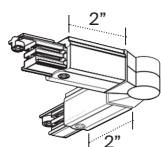

Adjustable Left Polarity.

### Recessed End Cap

GFTP41 - (B, W, G)

For safety, flush mounting applications.

### Adjustable Connector

GTEK24 - (B, W, G) 120V

### Finish Codes:

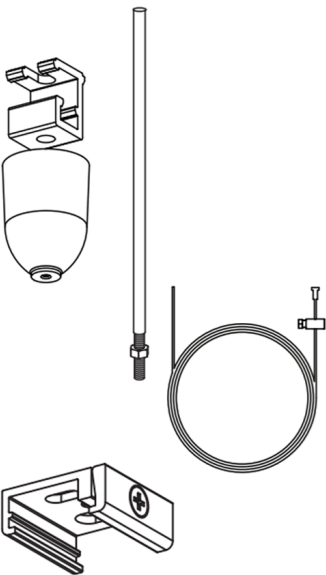

B - Black

W - White

G - Grey

# GTEK 2-CIRCUIT, 2-NEUTRAL 120V SERIES TRACK

## CEILING MOUNT ACCESSORIES

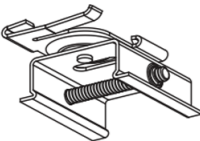

**Mounting Clip**  
GSKB12 - (B, W, G)  
For threaded rod or cable mount  
(rod/cable not included).

**Ceiling Cup**  
GSKB30 - (B, W)  
For threaded rod or cable mount  
(rod/cable not included).

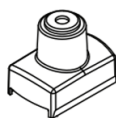

**Threaded Rod**  
GSKB31  
¼" Dia., 6' Length. UNLook Finish.

**5' Cable**  
GSKB34

**9' Cable**  
GSKB34/3M  
Custom lengths as special order.  
UNLook Finish.

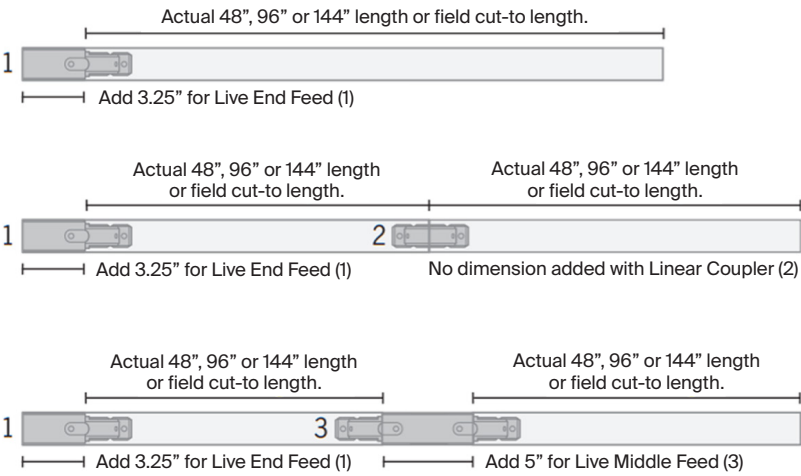

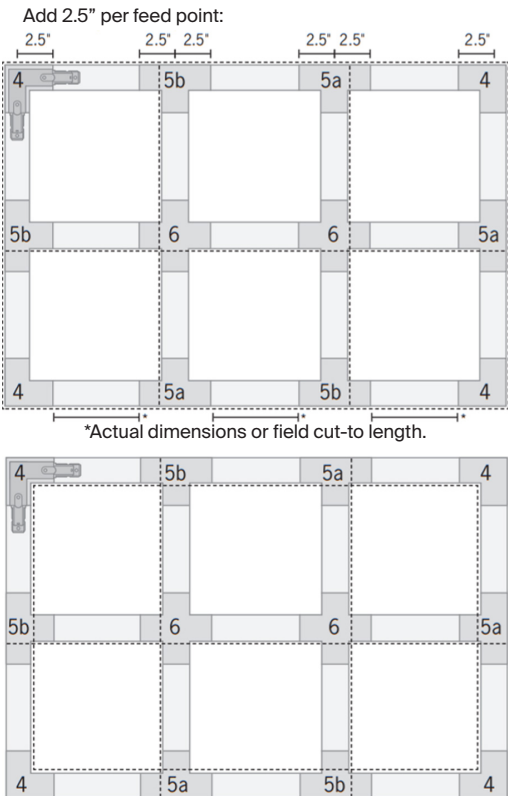

**Mounting Clips**  
GSKBX12 - (B, W)  
Deep Tile Mounting Clips.  
GSKBT12 - (B, W, G)  
Mounting Clips for T-Bar Ceilings.

**Stem Suspension Points**  
GSP4P - (B, W)  
Universal Suspension Point.  
Includes bracket and cover. Stem not  
included. Also works with cable and  
threaded rod suspension.

## TRACK DIMENSIONS AND CONFIGURATIONS

GTEK track is polarized and manufactured with identifying ridges (dotted lines on diagrams). Refer to these diagrams to ensure proper connector selection.

- KEY:**
- |            |                      |                    |                      |
|------------|----------------------|--------------------|----------------------|
| 1 - GTEK11 | Live End Feed        | 5a - GTEK39        | Feedable L-Connector |
| GTEK12     | Live End Feed        | Adj. Polarity      |                      |
|            | Reverse Polarity     | 5b - GTEK40        | Feedable T-Connector |
